

SUSTAINABILITY AT BOB'S

SOURCING RESPONSIBLY

We purchased **3.3 million pounds** of Fair Trade Certified™ coconut in 2021, supporting **3,080 farmers** and **41,000 acres**

MAKING FOOD WITH INTEGRITY

Safe Quality Food certified, with a **score of 98%** in 2021

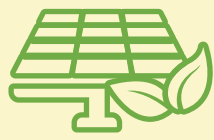

50 of our products are certified organic

More than **200 of our products** are Non-GMO Project Verified

NOURISHING THE PLANET

Solar panels saved **108 metric tons of CO₂** to date—the equivalent of planting **1,792 trees**

Installed **four** electric vehicle charging stations onsite for customers and employees

Saved **more than 130,000** plastic water bottles from the landfill with 5 water dispensers since 2020

Diverted **91% of our waste** from the landfill, including 2,293 tons upcycled as animal feed

Applied for a grant to become stewards of a **4.56-acre wetland** on our property

FOSTERING WELLNESS

100% employee owned

385,717 pounds of food donated to food banks in 2021

Awarded **\$5,000** each to five different Farmers Markets via our Farmers Market Forever contest, which invited people to nominate their local favorites

AWARDS & PARTNERSHIPS

Awarded **Gold** by Clackamas County Leaders in Sustainability

Voted one of **Oregon's Most Admired Companies** in 2021

2021 Sustainability Excellence in Manufacturing Award - 2nd place, awarded by ProFood World

WHAT'S NEXT?

We're Focusing On . . .

- Carbon Inventory
- Ingredient Impacts
- Alternative Transportation
- Strategic Energy Management
- Regenerative Agriculture & Soil Health
- Recycled Content in Packaging
